

## CSMRS

### Training Programmes organized during the period 2010 - 2011

Sl. No.	Training Topic	Period
1	Numerical Modelling in Geotechnical Engineering <i>(Organized by IGS Delhi Chapter in association with CSMRS and IIT Delhi)</i>	29-30 April 2010
2	Soil Laboratory Testing <i>(Organized for NWDA engineers)</i>	11-15 May 2010
3	Concrete Technology and Soil Mechanics including laboratory testing <i>(Organized for IGNOU students)</i>	20-24 September 2010
4	Characterization of Rockfill Materials	9-10 September 2010
5	Rock Mechanics and Tunnelling Technology <i>(Organised by ISRM TT in association with CSMRS)</i>	23-24 September 2010
6	Civil Quality Aspects of Hydro Project Construction <i>(Organised by CBIP in association with CSMRS)</i>	28-30 September 2010
7	Water Quality and its Management <i>(Organized CSMRS in association with NIH)</i>	8-12 November 2010
